

KEEPING THE FAITH REQUIRES POSITIONING YOUR CHURCH FOR SUCCESS

Supporting Your Church

A PROMISE WE HELP YOU KEEP

DEAR FRIENDS OF FAITH

Let's be honest, we come to church to worship. It is here we share our deepest fears and secrets, yet too often we are reluctant, if not downright uncomfortable, discussing raising capital for our church. Launching a full fledged capital stewardship campaign takes time to plan and then time to implement. Time that neither church administrators or the constituents have to spare.

SingleSource, a trusted background screening company to the church community for years, offers a capital funding program that builds capital while its congregants go about their daily lives working at their jobs.

Regardless of the size of your church, our capital funding campaign will be up and running in days not months. A campaign that burdens no one and offers the highest rewards to everyone.

"Kudos to one of your employees, Ann Trevett. She walked me through the system. She was kind and patient each time I called and a huge asset. I feel confident with the program and get my results back in 1-2 days which was much appreciated."
